1. Forthwith, posthaste I bring you Me in measure not seen in people, not seen before, in people you haven't known or known so little; behind the scenes, behind the veil, but now coming forth, stepping forth, stepping up to the plate; yea, both to bat and to eat and to receive recognition of Me and be involved in what I am doing now with you and the Mighty Many, the Mighty Many which come forth at the crack of dawn. Yea, watch Me.
2. I am bringing forth giants, giants, the giants I spoke with you about months and months ago. Yea, I have brought some and I am bringing many more and then on top, many more, and the flow never ends.
3. I love you and I give you Me. I give you My flow as My character comes increasingly and My healing you walk in; healing the nations, preparing and picking the leaves (1), the fruit being, yea, to each other.
4. I love you. I give you Me and I give you to each other and I give you each other to operate in **the design I have called forth, which I am calling forth; yea, which I even intended,** which you have prayed and asked for so often seeking Me, and seeking Me to destroy him who walks about only to devour, delay, divert and destroy; him who accuses, accuses the brother and accuses each other; he who runs rampant in My body, My church, My who know Me, My who don't know Me. Yea, corralled, cornered, demised, diminished, destroyed he will be; watch Me.
5. My time is nigh. My time is now. Your time is now.
6. And, yea, the Mighty Many come forth and giants come forth to lead, placarded not; yea, their name still at My table; still coming, eating at My table, now ready to be Me in unison, in the fullness of My power, identical not, but in the concert production of My finale.
7. My who know Me I love you. Thank you. Thank you for the price paid so far. Thank you for paying the price still yet to pay. I love you; I give you all of Me. I love you with all of Me. I love My body and I thank you for loving My body and coming forth in the purity to do this thing, this is that (2), that which I have called, that which I have placed in your heart.
8. This now for so many of you is your call, your consumption, and yea, that which will consume your days, your time; eating of Me, **being Me in My house**; My worship centers **Worship Central**; education centers **Education Central**, commercial enterprises **Commerce Central**; circular circucentricities; yea, redundant not, powerful and exponentiating. I love you.
9. He who comes in the name of The Lord has come; I have brought, and I bring so many more.
10. He who comes in the name of The Lord offering a piece of bread, the bread that they are of Me, of My body, My blood, saying, yea-ing, "Here I am; here I am for the

task at hand; no task too small, none too large;" acceptance embodiment of Me. I love you. Embody-ing I am My body, royally, revelation revealed.

11. Yea, Ezekiel see and see Me and see Me now in all that comes forth, the grandest finale of finales all. Watch Me, watch Me participate, spectate not. I love you.

12. I call forth many at the crack of dawn. Yea, watch Me implanting your name in My hearts in them to bring forth My University, My School, My School of Schools to birth schools; yea, to hear My voice, to teach My voice, to let Me speak, to let Me teach in My classrooms, the class of life, the class of the Godhead. Yea, royalty being, royalty serving; yea, My body all, of every color, tongue, tribe and nation. Every part, every location circumscribed, circumspherically in and by only Me. Yea, My Godhead revealed, revelation, reformation, revolution, revolting to so many. I love you and I give you Me.

13. I tell you I love you so often; I love you deeply, so dearly, so globally, so into that which I have for you, more than you ask and if you would have asked I would have given more (3). I will give more, I am more, I am giving more and I am bringing more and there is no shortage and no lack of people, funds, for Me to do what I am doing.

14. Watch Me circumscribe not but now fling what I am doing now into all points, axis spinning, retaining Me, flinging you in the word of My mouth, the word of My power, the power of the word of My mouth. Yea, over all, into all, to know what I am doing and how I am doing it through you and so many more that I now bring sputtering not, restarting, spurning, spurning none, but being spurned by the Pharisaic.

15. Into Me see more deeply, pressing in you are, more you have, you will. Yes, your homework Me and homework to give comes forth. I love you, My crew, My fanatics, teams now for My finale.

16. The restoration of all things is in your hands; yea, My hands. Your leadership/My leadership, those who I have leadershipped at My knee in the wee hours through pain, through suffering, through trials and tribulations. Yea, who have come to Me: not turned bitter, nor turned, nor allowed bitterness entrée but, yea, meekness being, meekness becoming more so. Yea, inheriting now My earth in the positions called for to leadership so many. No small hearts, not for the fainthearted but followers, followers who are, are, are Me and walk in My fullness, the fullness of My Godhead, Trinity being with Me. Yea, in My power and might. Restrictions none. With no boundaries. Without measure.

17. Yea, you know how I give. I am a giver. I am a releaser. I am an empowerer. And, yea, I restrict you not to come, call and conquer all with My love; and release, release, release into Me the fullness, the freedom.

18. Yea, the final call, the final compass, the final time; yea, time no more so soon, when all is complete, all is restored: Oneness won, won, w-o-n, already won, worked by Me, My Father; you participating, **leading leadership schools of My leadership** and not yours, not your name, not your people; Mine, My name, My people, My name on their foreheads (4), written penetratingly through their hearts (5) and on

their foreheads seen "I love you;" no other mark. No other mark, no other mark received (6), given or protruding. Yea, discern.

19. Desire Me and only the things of Me more, more please, more as you press in and come and perceptively more not; but pressing in more, stuttering, sputtering not, spurning no one; yea, 2 Corinthians 5:16 (7). I love you.

20. I give you Me. I give you My people. I give you My hand. I give you My power. I give you My all, all-in-all.

21. See Me from beginning to end, from the end back through the beginning, back through from whence I came, from whence you are: how, for, who, when, now. Thank you.

22. I love you and I give you Me as you lift exponentially those within this sphere of My who love Me; and are bringing about the foundation upon foundation, pier after pier of Me, for the construction of My curriculum, for My temples not made with hands.

23. Generational friendships, all that I have given you, all that I am I lay before you as we lay together, as we sit, as we converse, as we discuss your desires and dilemmas-thought; now, so often, nightly, daily, morning by morning. Yea, My mercies are so new with every sunrise (8), seven and seven times seventy were given, forgiven (9); yea, forgiven for those asking, remorseful. None, never. I love you.

24. I queen-ize and I king-ize My conquering ones who clocks conquer now and come forth at the crack of dawn in leadership, leadership, leadership of Me, of Me and only Me, by Me, by Me, and are times of sorrow not, but are times of intimacy, grace, majesty, splendor, power and authority. Yea, coagulating the greatest unity and force ever combined, ever mobilized, ever seen. Watch Me. The cataclysmic climax of only Me. Yea, no one will miss Me, every eye will behold Me and not like they thought.

25. So shocked, stunned, paralyzed, so many; jaws dropping open, everyone realizing what could have been, how they could have participated if they had seen, if they had come, if they had called, if they had conquered, if they had let Me come and call and conquer, and conquer, and conquer, as I came and called so meekly before them, not demanding, but in meekness, for meekness I am. Yea, I bow for so many so often.

26. I love you. I love them. My life My forefront now. I give you Me; I give you leadership of leadership, leadership birthed in My quarters, birthed through pain, trials and suffering, tribulations; yea, which forged the fire of Me needed, required; steel of

only Me for this time, for the now, for this generation and the generation of receivers of Me and My Mighty Many making. I love you. Goodnight.

27. See Me in all that I have said, all that I have said in weeks previous, especially. I love you.

28. Overseas come, go and be Me in the fullness of My joy. No lack, every need met, leadership trusted, leadership in place, leadership leading and leadershipping others in My name, in My delivery system, in My values, in freedom, fornicating not, raping and pillaging not My body as so many are in My name. Forgive them Father for they know not what they do (10), they know not what I offer (11), they know not what I have done (12), what I am doing (13), what I have already given (14), and the works already done (15) through Me.

29. Yea, the path is narrow, the path is straight (16), purity is required (17), holiness (18), righteousness of only Me. I love you.

30. Enjoy, relax, and press into Me and My intimacy and intimacy with only Me. I love you.

31. Happy Anniversary! Oh, twenty-eight years designed by Me (19); I was with you every one, in every one, guiding, desiring, drawing, defining, redressing so little; yea, nudging here and there.

32. Thank you for answering Me, answering your call (20), going into My book (21), coming into Me for all that I am and knowing: going where no one has gone before, and raising a generation, a generation of multi-generational leaders who will raise those, My Mighty Many who now continuously stream into Me, who stream into My wake, stream into your wake, knowing they can come into Me. Way made, always was, now clarified, unfeared; yea, fearful yet unfeared, coming into Me for all that I am, all that I have. So many coming where no one has dared to come before.

33. Yea, leading the charge: you, you and others now, My globe-crossers, globe-walkers, water-walkers, disease-defying-demisers; demising the diminishers and the destroyers of My body.

34. Yea, now lifting, lifting, elevating My body, My words, freeing My words to flow through them, helping them know their origin and species: Who they are. Where they came from. Why they are here. Their role, their might, their power, their authority given to walk in My Cross, walk through My Cross, the walk into Me and be Me through their Cross having come; delayed not, devoured not, diverted not; but, yea, divinely inspired, divinely given divine authority in Me, of Me, of My Father, us operating in one, concert of one, unity of one, in one accord, might and power and authority. Yea, with each other

and all of My body together, simultaneously, concurrently; yea, function: One. The oneness the world has yet to behold and will fear.

35. I love you, eyes wide open. Eyes wide open I give you Me. I hug you, I kiss you, I stroke your brow and I say "job well done" (22). I thank you. I respect you. Union of only Me.

36. Thank you for pressing into Me and loving Me, loving ME, Me, My words, My time, My truth, all in Me, living, speaking, and not taking Me for granted. Not taking just what I can give and using Me, using My precepts and principles for your own selfishness, your own accolades; self-deception; yea, but desiring Me.

37. Thank you for discerning Me. Thank you for desiring Me in life, in My relationship, knowing, knowing, knowing so deeply, so intensely and intimately that I am intimate, and that I made you for Me and all that I have is thine (23), all that I am I give you (24), all authority I delegate (25).

38. I give you Me and you know that so well and yet it's only the beginning, the beginning, for I am infinite and you are infinite and we are both eternal.

39. And, yea, you into Me have come for all that you see and all that you know and now all that you have and all who you have been given (26), all you have been given for Me, for Me, for now, for this time, for such a time as this. I am you are. I love you and I give you Me.

40. Go grow, catch and release, fisher of men, maker of machines designed from My heart, yea, Commerce Central coming through My ones who worship Me in spirit and in truth, yea, My body My blood demonstrably Me, operating in My values, bread and wine to each other. I love you, lifter of My head. Thank you.

41. I touch you. I thank you. I appreciate you. I respect you. I love you. I thank you My lover, My friend.

Footnotes:
